1)	3/8" Drive Ratchet	4)	14mm Socket
2)	3" Extension	5)	5mm Allen Wrench
3)	12mm Socket	6)	High-Temp Silicone sealer

REMOVAL/ INSTALLATION INSTRUCTIONS

- 1) Make sure the motorcycle is cool and place securely on a service lift or center stand.
- 2) Remove the lower fairing from the motorcycle. Carefully set it aside.
- 3) Remove the stock muffler inlet heat shield.
- 4) Loosen the clamp securing the stock headpipe to the muffler inlet.
- 5) Remove the muffler mounting bolt from the passenger peg mount. Remove the stock muffler assembly from the motorcycle.
- 6) Remove the stock headpipe bracket mounting bolt.
- 7) Remove the stock headpipe flange nuts. Remove the stock headpipe from the motorcycle.
- 8) Using the original nuts, loosely secure the new headpipe to the motor. Do not fully tighten at this time.
- 9) Using the original hardware, loosely secure the headpipe bracket to the motor. Do not fully tighten at this time.
- 10) Press the rubber bushing out of the passenger peg mount.
- 11) Insert the supplied aluminum boss into the passenger peg mount.
- 12) Place the supplied t-bolt clamp onto the notched inlet of the new midpipe. Slide the midpipe over the headpipe outlet until fully seated. Do not tighten t-bolt clamp at this time.
- 13) Slide the new muffler over the midpipe outlet until the muffler bracket lines up with the passenger peg mount.
- 14) Using the original bolt and nut, secure the muffler to the passenger peg mount. Do not fully tighten at this time.

FULL SYSTEM EXHAUST, SS/ALUMINUM

HONDA CBR250R
2011

- 15) Using the supplied swivel spring, secure the muffler to the midpipe.
- 16) Position the exhaust system in the best possible configuration. Fully tighten the muffler mounting hardware, headpipe bracket hardware, headpipe flange nuts, and t-bolt clamp.
- 17) Clean all fingerprints and grease from the complete exhaust system.
- 18) Reinstall the lower fairing to the motorcycle.

Terms & Conditions

Returns: All requests for product returns must be made within 30 days from date of purchase. The return has to have a Return Material Authorization (RMA) number from Jardine and must include a copy of the original purchase invoice. Customer pays for the return freight and Jardine will exchange product or process a credit to your account. All returns must be in the original packaging to be eligible for any credit or exchange. Any return sent C.O.D. will not be accepted. Special order sales are final and may not be returned.

All warranty claims must be made through your point of purchase.

Limited Warranty: Jardine's warranty extends to the original purchaser only and a copy of the sales receipt must be provided. Keep your receipts. Jardine products are warranted against defective materials and workmanship for a period of 1 year from date of original customer purchase and to the original customer only. Proof of purchase is required. Any non-defective, unopened, unused, not installed item may be returned within seven working days of receipt and will be subject to a 15% restocking / repackaging fee. Bluing and / or discoloration of chrome exhaust systems / products are not covered. Contact the Jardine Customer Service Department directly at 216-265-8400 to obtain a Return Material Authorization (RMA) number prior to return of product. Authorized product will be repaired or returned at Jardine's discretion. Jardine is not responsible for any other expenses, including labor for removal of defective parts incurred by the customer under the terms of this warranty. Nor shall Jardine be responsible for any damages whether consequential, special, contingent or otherwise, or expenses or injury arising from the use of Jardine products. A detailed copy of Sale Terms, Conditions and Warranty information is available at request.
