SLIP-ON RT5 EXHAUST, POLISHED

KAWASAKI ZX-10R
2011

TOOLS REQUIRED

Ref.	Description
1)	3/8" Drive Ratchet
2)	3" Extension
3)	8mm Socket

Ref.	Description
4)	10mm Socket
5)	12mm Socket
6)	13mm Deep Socket

INSTALLATION INSTRUCTIONS

- 1) Make sure the motorcycle is cool and place securely on a service lift or stand.
- 2) Remove the three bolts securing the midpipe heat shield to the stock pre-muffler. (Fig. 1)
- 3) Loosen the clamp securing the muffler inlet to the pre-muffler outlet.
- 4) Remove the bolt, and nut, securing the stock muffler to the passenger peg mount. (Fig. 2)
- 5) Remove the stock muffler assembly from the motorcycle.
- 6) Disconnect the exhaust valve cables from the pre-muffler.
- 7) Remove the rider, and passenger seats.
- 8) Disconnect the exhaust valve cables from the servo motor located under the rider seat. Remove the cables from the motorcycle.
NOTE: Do not force the servo to over-rotate when removing the cables. Doing so will permanently damage the servo motor.
- 9) Reinstall the rider, and passenger seats.
- 10) Loosen the clamp securing the header assembly to the stock pre-muffler.

SLIP-ON RT5 EXHAUST, POLISHED

KAWASAKI ZX-10R
2011

INSTALLATION INSTRUCTIONS

- 11) Remove the bolt securing the pre-muffler to the motorcycle. Remove the pre-muffler.
- 12) Place the supplied T-Bolt Clamp onto the notched inlet of the new Midpipe.
- 13) Slide the new Midpipe over the stock headpipe outlet, until fully seated.
- 14) Slide the new RT-5 Muffler onto the midpipe until fully seated. Using the original hardware, loosely secure the muffler to the passenger peg mount.
- 15) Secure the muffler to the midpipe using the supplied Swivel Spring.
- 16) Position the exhaust system in the best possible orientation, then fully tighten the t-bolt clamp and muffler mounting hardware.
NOTE: When tightening the t-bolt clamp, make sure it covers the notches on the midpipe inlet.
- 17) Clean all fingerprints and grease from the exhaust system.
- 18) Start your motorcycle and go ride!

Terms & Conditions

Returns: All requests for product returns must be made within 30 days from date of purchase. The return has to have a Return Material Authorization (RMA) number from Jardine and must include a copy of the original purchase invoice. Customer pays for the return freight and Jardine will exchange product or process a credit to your account. All returns must be in the original packaging to be eligible for any credit or exchange. Any return sent C.O.D. will not be accepted. Special order sales are final and may not be returned.

All warranty claims must be made through your point of purchase.

Limited Warranty: Jardine's warranty extends to the original purchaser only and a copy of the sales receipt must be provided. Keep your receipts. Jardine products are warranted against defective materials and workmanship for a period of 1 year from date of original customer purchase and to the original customer only. Proof of purchase is required. Any non-defective, unopened, unused, not installed item may be returned within seven working days of receipt and will be subject to a 15% restocking / repackaging fee. Bluing and / or discoloration of chrome exhaust systems / products are not covered. Contact the Jardine Customer Service Department directly at 216-265-8400 to obtain a Return Material Authorization (RMA) number prior to return of product. Authorized product will be repaired or returned at Jardine's discretion. Jardine is not responsible for any other expenses, including labor for removal of defective parts incurred by the customer under the terms of this warranty. Nor shall Jardine be responsible for any damages whether consequential, special, contingent or otherwise, or expenses or injury arising from the use of Jardine products. A detailed copy of Sale Terms, Conditions and Warranty information is available at request.
